

Chameleon Converter Products

"No Frills Technology"

3 x 1 HDMI Switch

The Chameleon 3 Port HDMI Switch allows you to connect up to 3 HDMI sources to a single display. Simply switch input sources via the included remote control or via the button mounted on the switch. Perfect for connecting amplifiers, Sony PS3, Blu Ray players or set-top boxes to displays with only a single HDMI input. No power supply is required for HDMI cables under 10 metres. An optional 5V 1A power supply can be used for HDMI cables up to 15 metres in length. High quality components mean these units are designed to last a lifetime. The Chameleon 3 Port HDMI Switch supports up to and including full 1080p/1920x1200 High Definition content with HDMI 1.3b compliance. 12 Months Warranty

Code: CLKV331 RRP \$69

4 x 4 HDMI Matrix Switch

The Chameleon 4 x 4 HDMI Matrix Switch allows you to connect up to 4 HDMI sources and convert them to four outputs without any signal loss. Each output of the matrix switch is independent of the other so different inputs can be sent to different outputs at the same time. Switch input sources via the included remote control or via the button mounted on the switch. The unit will transmit 1080p signals when used with the appropriate HDMI Cables. This is a high quality matrix switcher with full metal casing and excellent quality components. 12 Months Warranty

Code: CLKV344 RRP \$389

Component to HDMI

The Chameleon Component to HDMI Converter allows older analogue devices to be integrated seamlessly into the modern home theatre. It connects component video home theatre devices to HDMI-compliant digital monitors or other HDMI input devices. With the Chameleon Component to HDMI Converter older home theatre devices can be easily connected to any HDMI display for the full digital video and audio experience. 12 Months Warranty

Code: CLKV354 RRP \$89

All to HDMI

The Chameleon All to HDMI (scaler and switcher) is capable of switching between up to 9 video sources and scaling any of the sources up to 720/1080 HDMI. The output resolution is selectable between 720p and 1080p. This unit is ideal for converting video signals from DVD & Blu-ray players, DVR, game consoles and set-top boxes. Includes IR remote control and power supply. 12 Months Warranty

Code: CLKV391 RRP \$419

Composite/S-Video to HDMI

The Chameleon Composite/S-Video to HDMI Upscaler converts SD composite or S-video signals to HD HDMI. This unit allows you to output to either 720p or 1080p. The unit will accept input from a composite or S-video source, 3.5mm audio source and output it to HDMI. 12 Months Warranty

Code: CLKV363 RRP \$109

HDMI to AV

Convert HDMI digital video to older analogue devices and/or displays. Converts HDMI signal to analogue CVBS, S-Video and audio (L/R) signal. Allows devices equipped with only HDMI output to be connected to analogue TV. 12 Months Warranty

Code: CLKV381 RRP \$99

HDMI to VGA

The Chameleon HDMI to VGA converter converts digital HDMI or DVI signals into an analogue VGA signal with stereo audio output (via 3.5 phono). 12 Months Warranty

Code: CLKV385 RRP \$89

VGA to Composite

The Chameleon VGA to Composite/S-Video converter is a compact and versatile unit which lets you use your wide screen TV as a computer monitor for gaming or presentation use. The unit accepts a standard VGA input and generates both composite video and S-Video signals simultaneously, so you can watch and record the video signal at the same time or even send it over a video distribution system. Great for watching DVDs, gaming, presentations, digital signage or just having a big screen for your computer. The unit is powered from the computer's USB port and has an on-screen setup menu to adjust the video output signal and picture size. No software is required. Includes VGA, S-Video and composite cables. 12 Months Warranty

Code: CLKV2000 RRP \$69

VGA / Component to HDMI

The Chameleon VGA/Component to HDMI converter allows PC users to display their image content not only on their PC monitor but also on their HD television by converting VGA input into HDMI. This unit includes 2 channel LPCM audio support and is HDMI 1.3 compliant. Stereo phono audio input is processed along with the VGA input to give you a perfectly synchronised HDMI output. 12 Months Warranty

Code: CLKV351 RRP \$109
